

## **Introducing Lead Locator**

## A new dealer portal feature to Fast-Track financing for online applicants!

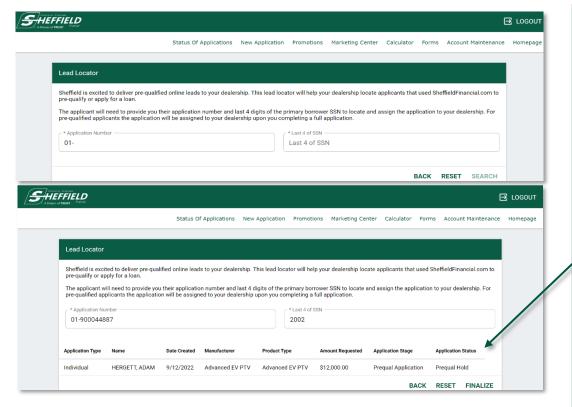

Every day online applicants are pre-approved and prequalified at SheffieldFinancial.com. As these applicants visit your dealership, Lead Locator allows you to fast-track the financing process by pulling the applicant's information into your dealer portal.

## **Lead Locator:**

- Saves you time
- Fast-tracks the financing process by allowing you to access pre-approved and prequalified online applicants when they arrive at your dealership with an application number.

**HOW** to begin assigning pre-approved and prequalified applicants to your Dealer Portal:

- **Step 1:** Applicant is pre-approved or prequalified through the online application at SheffieldFinancial.com.
- Step 2: Applicant provides you their application number and the last 4 of their SSN.
- Step 3: Input the 2 data points into the fields shown below and select the Search feature
- **Step 4:** The applicant's information will be shown. Click Finalize to complete the financing process for the applicant. The applicant's information will be pulled into your dealer portal.

Sheffield Financial is a division of Truist Bank, Member FDIC. © 2023 Truist Financial Corporation. Sheffield Financial, Truist and the Sheffield Financial logo are service marks of Truist Financial Corporation.

## Quick Guide Application Status

Prequalified: Applicant prequalified with no impact to their credit (soft credit inquiry). Next step is to finalize the full credit application with a hard credit inquiry. Click Finalize to have applicant's info pulled into your dealer portal.

Prequal Hold: A soft credit inquiry was run, but we need additional information to make a decision.

Next step is to finalize the full credit application with a hard inquiry. Click Finalize to have applicant's info pulled into your dealer portal.

<u>Counter Offer:</u> Applicant submitted a full credit application with a hard inquiry. Next step is to click Finalize to finish up the financing.
